Miss A. W. Patterson,
Univ. of Toronto,

Dear Miss Patterson,

It will give me great pleasure to receive Dean Worley of the Univ. of Michigan as my guest during his stay.

President A. C. McGiffert of the Union Theological Seminary, has just written to me saying

that he is to be here to preach in February and hopes to see me. As we were formerly colleagues in Lane Theo. Seminary and very intimate friends I have just written to him asking him to stay with me when he comes. I hope this will be agreeable to President Falconer.

Yours truly,

James H. Craig.

Professor J. A. Craig,
University College.

Dear Professor Craig:

Yesterday I forgot to mention to you the visit of Mr. McKirdy next spring. I asked him to come to Toronto and I am looking forward to having the opportunity of entertaining him myself, but I hope to be able to give you an opportunity of seeing him while he is here. There are a good many matters about which I wish to have the chance of talking to him.

With kind regards, I am,

Yours sincerely,

President.
